Friday 19th	Reports out to Parents/Carers	
Wednesday 24th	End of School Year	1.15pm

Please see the website for further dates.

The Bushy Bulletin

Working Together, Learning Together, Growing Together

Summer Newsletter 4

14th June 2019

Welcome back to the final half term - not sure it is appropriate to use 'Summer' after the week we have just had...! Next week is looking better though, just in time for Sports Day and the Summer Fair. We hope to see as many friends and family as we can. The Mayor of Guildford will be officially opening the fair next Friday and we have lots of stalls planned.

School Visits

The past couple of weeks have been a bit busy (and quite quiet in school!) as so many of our children have been out. Year 6s enjoyed a wonderful week in Normandy, extra-special as they were there for the 75th Anniversary of D-Day. They came back and half of them have spent the week kayaking - wet but fun!!

Year 4 have been at Sayers Croft and had a thoroughly good time despite the weather! Year 5 went on their visit to the Mosque too, where they learnt about the beautiful place of worship. Thank you to all the staff and parents who gave up their time to help out and ensure our children had such fantastic experiences.

Questionnaires

We are always keen to hear feedback from parents/carers and have prepared a short survey for you to access. The link will be sent to you via Studybugs after school today, and will be analysed in 2 weeks. All responses will remain anonymous. If you have any issues accessing the Google Form, please let me know.

Vehicle Gate

I am asking yet again, for everyone to use the pedestrian gate at drop off and pick up. Whilst I appreciate the gate is not as wide, please be patient so that we can prevent an accident. We are looking at options for the access to school.

KidsTalk

I hope you have had the opportunity to listen to some of our wonderful Year 3s on BBC Surrey the past couple of weeks. They have been sharing their thoughts and views on a wide range of subjects from loving spending time with grandparents as they spoil them, to not liking tomatoes and reasons why they want a mobile phone!

Great stuff!

Have a lovely weekend

Dorner

FAB News

FAB News - Summer Fair Friday 21st June 5.30 - 8

The Summer fair is only 1 week away! Hopefully the rain will have stopped by then. Thank you to the volunteers who came this morning and turned your mufti donations into beautiful hampers that will be raffled at the fair.

There will be another mufti next Friday in exchange for cakes and a bottle for the bottle tombola.

The fair is a great way to raise school funds, visit the classrooms and socialise. Please sign up to help run your year group's stall and, if possible, come and set up or pack away.

See you at the fair!

The Committee

Our time in France

At 4:30 am, we got to school wearing our Leavers' jumpers and carrying our luggage for the week. Once we got to our hostel in Grand Camp Maisy,

Normandy we had food which was decent!

We went to Maisy Battery and saw trenches and bunkers from WWII. Our next trip was to Pegasus Bridge where we saw lots of Veterans and talked to them, learning many interesting facts.

We then visited all the cemeteries however, the American cemetery was far more detailed than the others. Point du Hoc was fascinating, we ran in and out of the craters left from where the bombs fell.

Opposite the hostel was a beach which we played frisbee on in the evening.

It was a fantastic year to go, as it was the 75th Anniversary of D Day.

Jacob

Sayers Croft Report

On Monday we left for Sayers Croft in the pouring rain. When we arrived, we listened to the timetable of what we were going to do.

Then we went into the buildings to look at our rooms. Whilst we were there, we did an orienteering course and one where we were blindfolded! We also did a maze and built shelters. The next challenge was to build a ballista and fire sponge balls at the others! It was great fun, despite all the rain!

Year 4

Keeping Children Safe

Secondary Transfer

Place2Be, the mental health charity, has some helpful information for parents to help them support their children for what can be a daunting time.

For more information: <https://www.place2be.org.uk/what-we-do/parent-carer-resources/ready-for-secondaryhigh-school.aspx>

Put your devices down and 'get outside' in the summer holidays!

Following last term's article, please find attached an article with regards to praising our children. I hope you find it interesting/thought-provoking.

Please find attached an advertisement for a qualified accountant position at Unisto in Chilworth. Unisto is an international company founded in 1926 and headquartered in Switzerland with manufacturing and distribution around the world. Unisto Limited, based in Chilworth, Surrey is our UK sales office employing 11 people and turning over approximately £4 million per annum.

Unisto manufactures security and branding products for many well-known organisations including John Lewis, Glaxo, Diageo and G4S.

PE Kit - we will be collecting in any old PE Kit at the end of the academic year and be sending it to a school in Africa for their use.

Library help needed

If you are available to help out in our library from September, we would love to hear from you - only an hour or so a week required!

SEND SURREY

Have your say on support for 0-25 year olds with Special Educational Needs and Disabilities (SEND).
