4th September

25th October

6th January

14th February

22nd May

The Bushy Bulletin

Working Together, Learning Together, Growing Together

Summer Newsletter 5

28th June 2019

The countdown is on now as we enter July next week! This week we have had 'Feeling Good Week'; an opportunity to reflect on our feelings, recognising it is ok not to feel happy all of the time and discuss strategies to help our mental health.

Sports Day

Last Thursday we had a great day in which the children participated in a range of events to win points for their houses. I was so proud of the sportsmanship shown and the team spirit - it is what it is all about! Thank you to all the family and friends who came to support the children - even through the torrential downpour! I have had such positive comments about the day, which are very much appreciated.

This year our family races were very competitive! Well done to all those who raced - you helped your child's team! Mr Fairbairn, who was taken to hospital as he picked up a very painful injury during his race, is on the road to recovery and sends this message: "Please mention how fantastic the community has been, from the immediate care, both of me and Ellie who was so upset, and all the lovely messages of support and offering to help out! Everyone has been great!". Congratulations to Beech for winning the cup this year with an amazing 858 points!

Summer Fair

What a wonderful occasion we had last Friday evening - and not a drop of rain! Again, thank you to everyone who supported us and those who ran stalls, especially our Year 5s for organising these themselves, all raising much needed funds for our school. A huge thank you to the FAB committee for their time and organisation, ensuring everything ran smoothly. Our thanks to the Mayor for officially opening the fair and Toyota for their contributions.

District Sports

Congratulations to the team who participated in Wednesday's event at the Spectrum. Some fantastic individual performances, which led to a final position of 2nd Overall! A great result! Just as importantly, the children displayed great sportsmanship and team spirit. Thanks to Chris for all her training, to Mrs Freeman and all the staff for their organisation on the day and to all those who supported Bushy!

Have a lovely weekend - enjoy the sun!

Dorner

FAB News

Thank you to everyone who supported the Summer Fair last Friday. We hope everyone who came enjoyed the evening. We are waiting for a few receipts for claims and then we will be able to give you a final figure of how much you raised. If you have any comments or suggestions for next year, please get in touch.

Frosty Fridays - Thank you to all the year 6 parents who helped at today's Frosty Friday. Next week Year 5 will be selling the ice cream, Year 4 will sell on Friday 12th, and lastly on 19th July Year 3. If you would like to volunteer please get in touch, many hands make light work!

Summer Term Disco 11th July - It wouldn't be the end of term if there wasn't a disco! Tickets will be available to buy on the door or via Wisepay. If you can come and help please contact FAB.

Second hand uniform sale **Wednesday 10th July 3.15** - Feel smug and get your uniform sorted before September. If you are having a sort out, there will be a box in reception for donations of good quality second hand uniform that your child no longer fits.

The Committee

Email FAB@bushyhilljs.net

URGENT

Our FAB Team (PTA) are an invaluable resource to your children. The funds raised through their work allows many resources and activities that the school would not be able to afford. The committee have come to the end of their term, and currently we have no one to take over in September, so if you are interested in any of the roles, please do speak to myself or an existing member.

TT Rockstars Year group competition Monday 1st - Monday 8th July.

Questionnaires

The parent/carer survey that was sent out two weeks ago will be closed this evening, so if you haven't already, please do take the time to complete.

It is a shame that some parents/carers have used this as an opportunity to make unkind comments about individual children. This is certainly not the forum, nor is it in the spirit of our school values.

Class Photos - Monday : Smart school uniform required!

Keeping Children Safe

An attachment to this week's newsletter is a useful document about Internet Controls - definitely worth a read!

"It can feel like an uphill challenge to keep children away from harmful content on the internet, which is why web filtering is such an important tool for any family. When running properly, it protects your children from the bad things on the internet, regardless of whether they're trying to access that type of content on purpose or it happens by accident."

Deadlines

As previously mentioned, we are having too many issues linked to parents/carers missing deadlines.

For the main activities, including residential, dates are provided well in advance and plenty of reminders given. We have been more than generous allowing late payments etc., however this is now becoming unmanageable - we also have deadlines to meet and logistics to organise.

Therefore, we will not be able to extend deadlines in the future (unless there are exceptional circumstances). Please help us to ensure that the children are not upset or miss out, and keep a note of dates. Many thanks for your understanding.

PE Kit

As previously mentioned in the newsletter, we will be providing the option for you to donate the old PE kit at the end of term to the Wood family who work in DR Congo. A quote from Mrs Wood: "In NE DR Congo, most families find it hard to clothe and feed their families. If the pe kits are contributed, we will see that they are distributed to the children in several schools."

Transition

Next Tuesday the children will spend the morning with their new teacher/class. I will send a letter out that day detailing the arrangements for September.
